WHAT OUR CLIENTS ARE SAYING ABOUT MEDICARE PORTAL

Kevin was so helpful in navigating the change from private insurance to medicare for disability. He checked for coverage of our doctors and prescriptions prior to helping us pick a policy. Such a weight off our shoulders!

I really appreciate Paul Carswell helping my mom out. She's up in PA, almost 94 and she hadn't changed her Part D plan since she first got it. I was pretty sure she could do better by now.

John is a gentleman and a professional. He took time to explain everything in detail and insisted I contact him if I had any follow up questions. Needless to say, he was always responsive every time I reached out. I grade John and his Medicare Portal service as A+.
